VISITOR ACCESS INSTRUCTIONS

When arriving at FigFlex, 18 King William Street, London EC4N 7BP, you will need to ring up reception on the little intercom outside the front door where they will let you in.

Your host will arrange to either collect you from reception or will have advised you that reception have prepared a visitor card for you to use to come up to our floor.

If you are directed to come to our floor then to the left of reception you'll see the lifts, our office is on the fifth floor, when exiting the lift if you turn left and head through the doors you will see us on the right, your access card will get you through the office doors.
